Dear Mr. Beamer:

Re: Permitting Requirements, Pleasantview Clay Pit - M/057/003 -
Weber County and Clinton Pit - M/049/006 - Utah County, Utah

It has come to my attention that the Division has not yet received the reclamation bond for the Pleasantview Clay Pit nor the mine and reclamation plan for the Clinton Pit. These items should be delivered to the Division no later than December 1, 1987.

It is our desire to finalize the permits for Interpace's two sites as soon as possible. Please contact Frank Filas of my staff if you should have any questions.

Sincerely,

Lowell P. Braxton
